Welcome to the MarketPlace !

Welcome to the CarrierPoint Dynamic Shipping Marketplace (DSM)

You have joined a group of visionary professionals involved in a revolution of the trucking industry.

For the first time, carriers and shippers can deal directly with each other in real-time. For the first time, carriers and shippers can communicate in an efficient and timely manner. For the first time, carriers and shippers have complete control over their own business rules in a true free market.

We look forward to working with you toward this new future in the transportation industry. Please feel free to [contact us](#) with any questions or recommendations you may have.

Welcome to the future.

Brian Kinsey  
President and CEO, CarrierPoint, Inc.

### Peer Review

CarrierPoint provides a Peer Review forum where Shippers and Carriers can rate or comment on other CarrierPoint Members. These reviews are purely subjective based on each individual's opinions and are not in any way meant to be taken as factual, data-driven information. Objective, data based statistics on Shippers and Carriers can be found in the CarrierPoint Data Depot.

Give a Peer Review — 328

Rate a business partner's performance across several areas such as on-time delivery, breakage, cube accuracy, etc.

Get Your Peer Reviews — 330

View how other members of the MarketPlace have rated your company.

Analyze all Reviews — 332

Evaluate all Peer Reviews submitted by your company on any MarketPlace member.

Customize Peer Review — 334

Specify how important each category of a peer review is to your company.
